

Distillery ERGASTER

Whisky Première Nature 70 cL Batch 003 Organic certified FR BIO 09

Smelling :

- An initial nose of fruity vanilla
- At the rim of the glass, sweet grapes are accompanied by notes of plums, followed by fine, woody vanilla.
- In the glass, a woody note emerges, full of fresh planty notes.

Tasting :

- A straightforward attack of malted cereals, followed by well-balanced oak and hints of sultana.
- The finish begins with the vegetal and mineral notes of dry white wine, finishing on pastry flavours with aromas of liquorice root and good length.

Technical datas :

- Initial ageing in new French oak casks with medium to light topping (depending on the cask).
- The main maturation in re-used French oak barrels, with blending in the following ratios:

- * 40 % Bordeaux dry white wine
- * 35 % dry white Jurançon
- * 25% Old whisky cask

In a nutshell :

A fresh, fruity whisky, the roundness and smoothness are alternately woody or vegetal, then tinged with sweet vanilla.

Fresh and aromatic, it can be enjoyed as an aperitif even in a summery atmosphere. 2 cL is enough to appreciate its quality.
